***One-Minute Prayers® for Women* by Hope Lyda and Harvest House Publishers Surpasses 500,000 Copies Sold and Earns Gold Milestone Sales Award from ECPA**

EUGENE, Ore., February 27, 2024—*One-Minute Prayers® for Women*, the bestselling book in the popular *One-Minute Prayers®* series by Harvest House Publishers, will be awarded a Gold Milestone Sales Award from ECPA. This accomplishment will be announced at the annual ECPA Awards Celebration on April 30, 2024. ECPA’s prestigious Gold Award is given to books in the Christian publishing industry that have reached 500,000 copies sold.

One-Minute Prayers® for Women equips women to reach out to God through thoughtful prayers, pursue their heart's desire to walk with Jesus, grow spiritually strong, reach out to others, include God in their everyday lives, and experience His peace, grace, and joy.

“I’m deeply grateful these prayers have been relatable, accessible, and encouraging to so many women and for so many years,” says author Hope Lyda. “It’s a privilege to be a part of a woman’s faith journey and time of connection with God.”

The *One-Minute Prayers®* series has sold over 1.5 million copies and was designed with people’s busy lives in mind. These books feature insightful prayers and corresponding Bible verses that provide the words that men and women need to reveal their hearts to God.

“We are most grateful to Hope Lyda for working with us long ago to launch this now highly sought-after line of Harvest House prayer books,” states Bob Hawkins, president of Harvest House Publishers. “This influential brand’s reach is a testimony to our consummate need for prayer that both glorifies God and brings us into His presence.”

The next book in the series, *One-Minute Prayers® for Grandparents*, is scheduled for release in July 2025.
