

IRAN & NUKES: What Does it Mean for Israel?

American intelligence agencies revealed this September that Iran now has the capability to fast-track the production of a nuclear bomb. With public declarations to “wipe Israel off the face of the earth” by Iranian President Mahmoud Ahmadinejad, does this new report edge Israel, the Middle East, and the entire world closer to the brink of war?

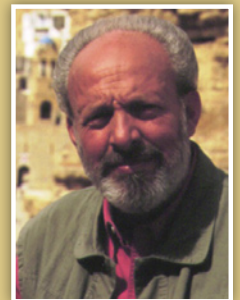

In *Israel Under Fire*, John Ankerberg and Jimmy DeYoung explain the prophetic chain of events that will one day culminate in an all-out, multi-nation attack on Israel. As they share from interviews with Benjamin Netanyahu, Moshe Arens, Lt. General William G. Boykin, and other powerful leaders, they answer the questions people have about the Middle East, prophecy, and Israel...

- ⊕ **Which biblical predictions about Israel's future are beginning to be fulfilled?**
- ⊕ **Is Iran truly a threat?**
- ⊕ **How do the events in the Middle East really affect the rest of the world?**
- ⊕ **Will there ever be peace?**

The authors show how Bible prophecies related to past, present, and future events have been, and are being fulfilled. For example, they discuss the re-gathering and resettlement of the land of Israel that has already taken place; the formation of an alignment of nations against Israel that is currently taking place; and they reveal that even now, plans are already underway for the eventual rebuilding of a Jewish temple.

Ankerberg and DeYoung both believe that we are living in a very exciting time as we have the opportunity to witness the unfolding of prophecy right before our eyes!

INTERVIEW QUESTIONS

- ⊕ Please explain the title of this book and the accompanying video, *Israel Under Fire*.
- ⊕ What is the importance of Israel becoming a nation once again in 1948—to Jews, Christians, and to Bible prophecy?
- ⊕ We know the Jews have left the land three times according to biblical history and have returned twice. Is the present return the third and final return?
- ⊕ The land the Jewish people have today is under dispute. Is this the land that God promised the Jewish people? Is it the *total* amount of land He promised?
- ⊕ In the Six Day War of 1967, Jerusalem was reunited after 2,000 years. Will the Jewish people be willing to give a portion of the city to the Palestinians? And if not, what could the result be?
- ⊕ What is the history of the Israeli/Palestinian conflict, and will it be resolved in the near future?
- ⊕ Ezekiel and Daniel, the ancient Jewish prophets, list a group of nations that will align against the State of Israel in the last days. Do geo-political activities today in the Middle East seem to be setting the stage for these prophecies to be fulfilled?
- ⊕ Iranian President Ahmadinejad has called for Israel to be wiped off the map. Does this present day threat to Israel have anything to do with Bible prophecy?
- ⊕ Is there any possibility for peace in the Middle East?
- ⊕ Many religious Jews in Israel are preparing to build a Temple in the holy city. Can you discuss some of the preparations that have been made?
- ⊕ You relate Israel today to the prophecies in the Book of Revelation. Does that mean the fulfillment of the prophecies in Revelation could be close at hand?
- ⊕ Your book and video are evidence that Israel *is* under fire today. What does this reality mean for the Christian? What will happen next?
